

Mad Science Camp: Eureka! at Grove Street Park:

Discover - Create - Invent! Each day campers will be given a series of challenges they must overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all – their minds. Because of the team-based approach to problem solving these challenges, this camp is never the same twice. Campers can attend 1 of two sessions.

Who: Boys & Girls ages 6-12

When: July 6th-10th

Session 1 Mon-Friday 9a-12n

Session II Mon.-Friday 1p-4p

Location: Grove Street Park (In case of Inclement weather camp will be held indoors at the town hall.

Cost 120.00 per session.

Please use Program Waiver form to register. Be sure to include the session you would like your camper to attend.

Daily Themes:

Rock, Paper, Scissors: It is the middle ages and your “army” is under siege. All you have at your disposal is paper, scissors and ... duct tape. What will you do? How will you defend your castle? How will you take the battle to their castle to vanquish your foes?

Wild Blue Yonder: It took the world 100 years to go from traveling by horse and buggy to landing on the moon. You're smart - you'll do it in a day! Learn to fly gliders, planes, jets and rockets. Will you be the camp's Top Gun?

Shipwrecked!: If you were stranded on a desert island how would you survive? Well, on this day we will find out. You will need to build shelter, find food and water, protect yourself and your teammates from the elements and find a way off the island – or die trying (not really).

Whiz Kidz: Did you know that an accident can become a great invention or that kids have created some of the gadgets we use every day? With materials that look a lot like, well ... junk - you'll be put to the test! Will you be the next Jimmy Neutron?

Science Fiction: Science Fact Journey to the future and examine the ultramodern inventions of the 23rd century. Then design the future - today. "Create" light sabers, hovercraft, and jet packs.
